

Eastern Beat / The trombone

Ti za meine

ja za tebe

tako cemo do pobede!

You form me

Me for You

May revelation of John

Come true!

Like a scream from heaven

May now revibrate

Jesus Christ our Lord

Is risen

from the Dead!

The Eastern Call of Christians

Echoes trough all times

It's You Lord who walks on water

No storm will crumble us down.

Ti za mene,

Ja za tebe

Tako cemo do pobede !

You for me,
Me for You
May revelation of John come true!
Saint Justin rise Your holy fist
So enemy can never resist
The truth will burn its way through
We fight unconditionally just for You.

Send o Lord the two mighty fighters
With strong word and powerful soul
With the sacred prayer to achieve the goal

So every being repents on time
And learns constantly to sing
Lord Jesus Christ is our mighty king .

Who are the two holy Saints You promised You will send
To be in this final times
Your holy hand

Will we recognize Elias the holy
Who prepares Your way So You come in glory.
How fearless will he be to speak the holy truth

And go the stony path
Trough the horrible death.

All we can do is repeat the song
Christ is risen on Eastern Morning.

Ti za meine, ja za tebe, tako cemo do pobede!
You form me, Me for You, may revelation of John come
true!
